Admission

Under 16s free

Stylish, contemporary, beautifully made and absolutely original, we bring new work from 47 UK designer/makers to Saltaire this September.

See jewellery, textiles, ceramics, glass, hand-made furniture, original prints, plus some special, unusual treats, exhibited in two rooms of lovely Victoria Hall. It's your chance to meet and chat to the makers, to find out how they work, and to buy or commission original pieces direct from them. You won't find this on the high street!
